Billy Graham Film to Be Shown Here

Evangelist Billy Graham's latest motion picture "The Heart is a Rebel," a feature-length color production starring Ethel Waters, Georgia Lee and John Milford, will be shown at the South Bay Church of God, 17661 Yukon Ave., Wednesday at 7:30 p.m.

The story is based on a conflict in the life of a modern young couple when the husband, an advertising executive can't find a place in his scheme-of-things for his wife's sudden acceptance of the Christian faith. In a completely "down-to-earth" setting the situation provides a dimension of reality seldom afforded a religious motion picture.

NEVada-6 Phone Numbers to Get SPruce-5 Prefix

NEVada-6 prefix telephone numbers in Torrance will change to SPruce-5 numbers in September, Dick Pyle, Pacific Telephone manager announced this week.

The change is being made because of increasing demands for Los Angeles exchange service in the Harbor area, Pyle explained. New equipment will be added to that now in use.

Los Angeles exchange service in Torrance, Lomita, Wilmington and San Pedro is identified by the NEVada - 6 number. The new SPruce - 5 number will be served from the central office at 1418 Broad Avenue in Wilmington. More than 800 NEVada - 6 telephone users will be affected by the change.

New SPruce - 5 telephone numbers will be mailed to local customers prior to the change of prefixes. Fairfax telephones in Torrance will not be affected by the number change, he said.
